A Note from Sonya

My first couple of months as your Family and Consumer Sciences Agent has been wonderful. I've felt very welcomed! I'm excited to be working with each of you. I truly appreciate the warm welcome from everyone.

So much is happening in September and October that we will definitely stay busy. Be sure to look through the newsletter and come join us for some fun activities.

Sonya Carter

Extension Agent for
Family and Consumer Sciences

Hart Happenings

September and October 2022

HOMEMAKER RECRUITMENT

On September 15, we will be having our Homemaker Recruitment event. Each club will be making a presentation board to show off our individual clubs. We will have an open house from 2PM to 6PM at the Extension Office. Encourage a friend to join Homemakers by bringing them by to fellowship and showing them what we have to offer.

KEHA Homemaker Week

KEHA Homemaker Week is October 9-15. We will be celebrating with Judge Joe Choate signing a proclamation for us. We will meet at the Judge's office at the courthouse on September 19 at 9AM for a picture. Please make plans to attend!

Horse Cave Heritage Festival

Horse Cave Heritage Days are Friday, September 16 and Saturday, September 17. Homemakers will be having a booth selling crafts and various items. Wendy Hickey has volunteered to set up the booth. We need volunteers to help her for the weekend.

Recipe Book Update

Our recipe book has been finalized and mailed for publication. We should have them here in time for the holidays. Remember these will make excellent gifts!

Area Annual Day

The Area Annual Day is being held in Butler County on October 22 at 9AM. We will be taking a van. Sign up for the event at the Extension Office by September 23.
